

A sleek, dark grey attachable laptop stand is shown in its expanded position. The stand is attached to the bottom of a laptop, which is propped up at an angle. The stand's base is a flat, thin plate that folds out into two legs, forming a stable tripod shape. The laptop screen is visible, displaying a blue abstract pattern. The overall design is minimalist and modern.

## aero evo

attachable laptop stand

an ultra-portable laptop stand
