Aluminium cable grommet with soft-close lid, 120 x 360 mm

Rectangular cable grommet for building into a desk or table top. The lid closes with a soft-close mechanism. A black brush runs along one long side, so cables can pass down even when the lid is closed.

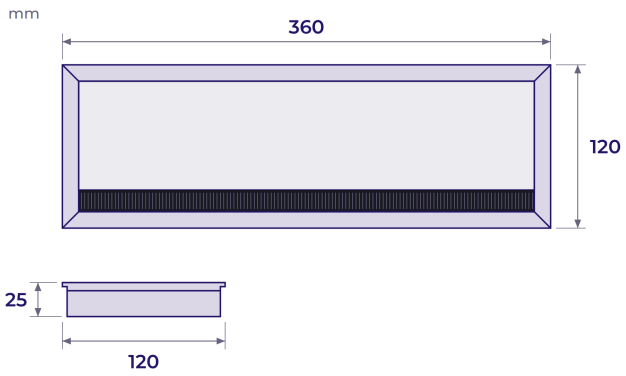

DIMENSIONS

Outer size (L x W x H)	360 x 120 x 25 mm
Cut-out in the top	353 x 113 mm
Corner radius cut-out	R14
